

Rose City Antifa

Revealed - Northwest Neo-Nazi Groups' Private Chat Server Leaked to Antifa

Mon, Dec 4, 2017

Anti-fascist activists from Rose City Antifa, Pacific Northwest Anti-Fascist Workers Collective, and Eugene Antifa have been able to get access to the logs of a Discord server used by a variety of Pacific Northwest fascists and white supremacists, given the tongue-in-cheek name, the Cascadian Coffee Company (CCC). Discord is a chat app, originally developed for online gaming, but often used by the far-right and white supremacists groups to organize their groups and events. These logs contain thousands of messages detailing activities, organizing, and interactions of one particular bunch in the region. In an ongoing series of articles, the coordinating anti-fascist groups will publish revealing information about this particular set of Nazis organizing throughout the Pacific Northwest region, located from Ashland to Seattle. You can follow all of these stories by visiting our website at rosecityantifa.org, or following us on Twitter [@rosecityantifa](https://twitter.com/rosecityantifa) and using the hashtag [#PNWfascistlogs](https://twitter.com/hashtag/PNWfascistlogs) and [#CCC](https://twitter.com/hashtag/CCC).

The group on the CCC Discord is not a particular group, but instead a loose association of Nazis that are attempting to gather and work together. For lack of a better name, we are going to refer to them as the "Oregon Aryans." They are scattered throughout Oregon and Washington, and loosely group themselves into Southern Oregon, Central Oregon, Northern Oregon, and Washington areas. The majority of the active members are in Central and Southern Oregon.

individuals and groups in the region, especially regarding how well they get along with (or don't get along with) the Discord group. These groups are not mutually exclusive: many on the CCC Discord are members of more than one group. It was a disgruntled member of one such group that decided to reveal the logs to activists.

In this article, we will introduce and summarize these various groups, and show how they work (or fail to work) together in the Northwest region. This is not an exhaustive list of all white supremacist and fascist groups in the Northwest by any means. However, this list might serve as an introduction to many of the groups currently in the Northwest region, and those groups that will be referenced in further articles about the CCC Discord logs.

Oregon Aryans

The Oregon Aryans are not an official group, although they perhaps wish they were. Most of their time seems spent on the Internet, re-posting other people's content on Twitter, or arguing amongst themselves. However, they have been organizing this summer, appearing at a number of Joey Gibson's far-right events, as well as putting up fliers, and dropping banners over highways.

Jimmy Marr 6/28/2017, 9:10:39 PM

I thought everybody knew by now that we are Central Aryans.

Jimmy Marr 6/28/2017, 9:11:08 PM

From the Central Sun.

Jimmy Marr 6/28/2017, 9:12:31 PM

Actually, everyone's in it, but most don't know it yet. Our job is breaking the news to them. Some will resist.

Jimmy Marr 6/28/2017, 9:12:55 PM

... but it won't help them anymore than did that nigger on the German train, mkay?

Jimmy Marr 6/28/2017, 9:13:33 PM

Our core is obviously in Corvallis.

Australopithecus Jordan 6/28/2017, 9:13:57 PM

Those Northern and Southern "Goys" are going to get the nigger treatment. Central Aryan Master Race. CAMR

Jimmy Marr 6/28/2017, 9:14:09 PM

.. but all will eventually be sucked into the vortex of our fury.

Australopithecus Jordan 6/28/2017, 9:15:19 PM

The weight of the Central Aryans can only be measured in terms of the density of the Sun.

Jimmy Marr 6/28/2017, 9:18:02 PM

Christ, I got so busy talking shit that I burned my lunch on the stove.

On the CCC Discord, Jimmy Marr and David Woods (Australopithecus Jordan) somewhat joking, but nevertheless racist, name their core group of fascists.

Jimmy Marr is a central figure in this group. He plays an avuncular role, and given that he has already been doxxed a number of times, his Springfield residence often becomes a gathering place for the group in Central Oregon.

well as providing a strong ideological voice.

Matthew Lee Combs of Eugene is another pivotal member of the Discord chat. He is a prospect for American Front as well (see below).

Justin Marbury, based in Medford, also is a key member in the forums. Marbury was arrested in January of 2017 for posting Nazi fliers in Ashland on private property. Although charges were dismissed because nothing could be proven, Marbury admitted to hanging the fliers on the Discord server. Marbury is also behind posters repping the group “National Resistance” that have appeared throughout Oregon. Per Marbury’s own admission, this group does not actually exist, but is a means for him to recruit members and bring them to groups like American Front.

Wehrmacht 6/18/2017, 8:33:49 PM

make them think that we are literally being flooded with various nationalist organizations

Wehrmacht 6/18/2017, 8:33:56 PM

out of nowhere

Wehrmacht 6/18/2017, 8:34:18 PM

kinda like a false flag.

Wehrmacht 6/18/2017, 8:34:38 PM

thats why i put out AV and NR posters

Wehrmacht 6/18/2017, 8:34:51 PM

now they think that there are multiple active orgs in oregon

Wehrmacht 6/18/2017, 8:34:57 PM

when neither are active

Marbury (Wehrmacht) admits to the Discord that the intent of his “National Resistance” posters are to make people think these sorts of front groups are active, when they are not.

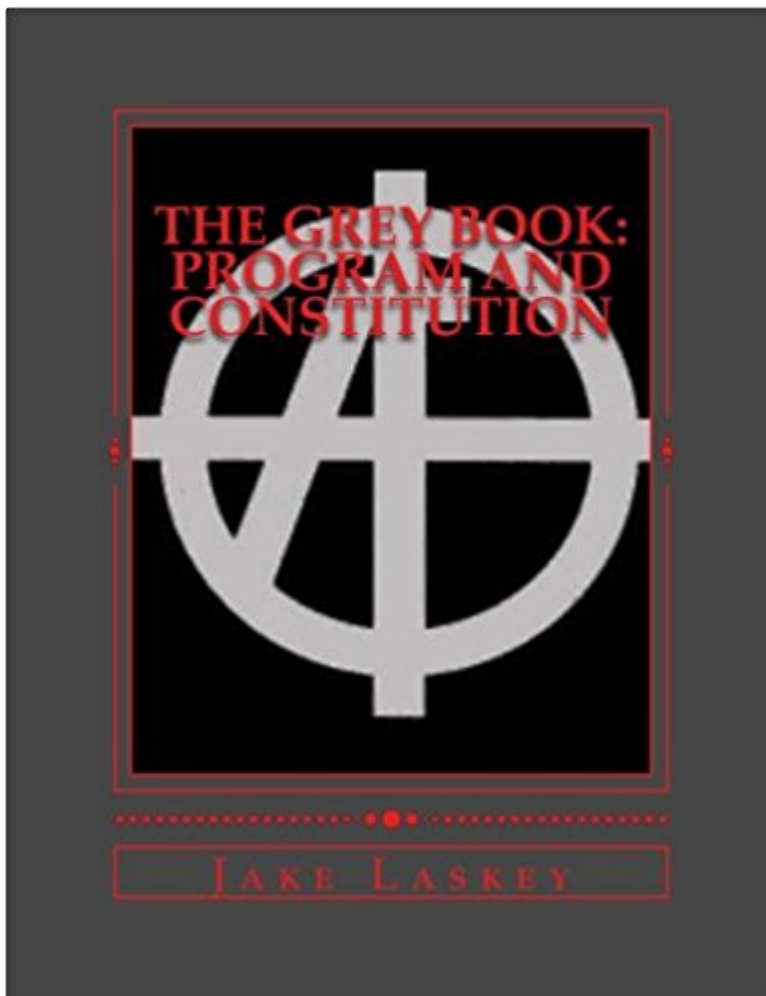

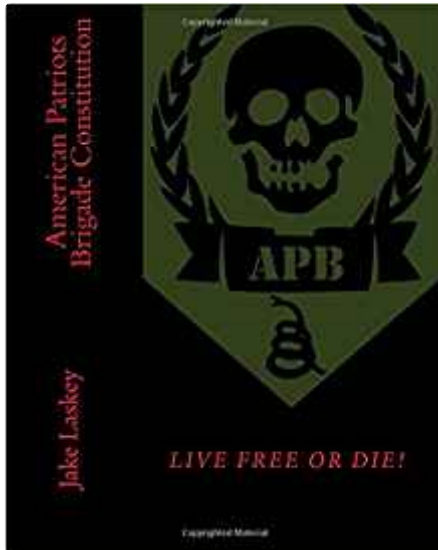

American Front / American Patriots Brigade

American Front (AF) is a white supremacist group first founded in 1984 by Bob Heick. Although over the 1990s and 2000s the group fell off in popularity, after Jacob Laskey was released from prison in 2015, the group has been undergoing a resurgence.

Laskey was sentenced to federal prison for attacking a Eugene synagogue in 2007, as well as being a felon in possession of weapons. He was released in 2015, and immediately declared his intent to invigorate the flagging organization.

Those who want to join American Front must first become prospects, and join the feeder organization, American Patriots Brigade (APB). This setup is common with white supremacist and fascist groups. Laskey wrote the “American Patriots Brigade Constitution,” as well as “The Grey Book: Program and Constitution,” which is the foundational document of American Front.

Wehrmacht 4/19/2017, 8:16:36 PM

Activism will bring people to WN

DatGoy 4/18/2017, 8:21:45 PM

even the cucks on imgur and reddit were cheering that antiifa whore getting laid out

blackhat 16 4/18/2017, 8:22:01 PM

We want to recruit those who've already had their racial consciousness awakened, but we aren't interested in acting as an "outreach" program, so to speak. As such, activism is not prohibited but neither is it on our priority list. Our focus assumes a collapse of the System and thus we prioritize preparedness and training for that eventuality.

Wehrmacht 4/18/2017, 8:23:34 PM

But I want to feel like a roman centurion

blackhat 16 4/18/2017, 8:36:15 PM

Lol.

Then you are in the right place (joining APB). Part of the appeal of the centurion is that his battle-ready uniform meant something because it was backed by the organization it represented. If there weren't a hundred other soldiers wearing the same gear, the presence of a centurion means nothing. Without that, you're just a based stick man...

Discord users David Woods, Justin Marbury (Wehrmacht), and Matthew Lee Combs (Blackhat 16) discuss the strategy of American Front and American Patriots Brigade.

Wehrmacht 6/29/2017, 8:42:04 PM

if im correct, the POINT of APB and AF is to have a Nationalist Militia in the event of collapse

Jimmy Marr 6/29/2017, 8:42:51 PM

And my whole point in life is to make sure they get their wish

Wehrmacht 6/29/2017, 8:43:01 PM

but as I said earlier, I don't see why ore or both wouldn't become the defacto defense force for nationalists advocating for the ethnostate

Wehrmacht 6/29/2017, 8:43:09 PM

not that I speak for it or anyone affiliated

Wehrmacht 6/29/2017, 8:43:17 PM

but the goals are mutually compatible

Justin Marbury and Jimmy Marr discuss AF and APB as a "Nationalist Militia."

blackhat 16 7/7/2017, 3:01:45 PM

@**Wehrmacht** to be clear, family considerations aside, you can do whatever you want as an individual, including wave around a swastika. We just don't want you doing it in a way that makes it look APB sanctioned, such as while wearing AF or APB gear or appearing to do it in any official club capacity.

Wehrmacht 7/7/2017, 3:06:54 PM (edited)

Ahhh good to know

Matthew Lee Combs explains to Justin Marbury that APB members are not allowed to mix swastikas with other prospect gear, for fear of depicting the white supremacist organization as explicitly Nazi.

Uberhat 6/9/2017, 10:47:01 PM

There's a piece of property in Springfield in my family already that's 1-2 acres but I'd have to convince my uncle and cousins to sell me their shares of the inheritance

blackhat 16 6/9/2017, 10:54:16 PM

Have you read your constitution yet? Acquiring land for exactly that purpose is priority number one for AF/APB rn. So we're working on it...

Combs mentions the fact that the AF and APB are attempting to acquire land in Central Oregon for a compound.

A number of the members of the CCC Discord are members of American Patriots Brigade, including Matthew Lee Combs and Justin Marbury. "Support 16," a slogan used by the APB, is a common patch and clothing motif for these prospects.

Matthew Lee Combs shows off his Support 16 shirt in a Discord post.

Stormer Book Clubs

website has been continuously kicked off of hosting all around the world in the last few months, it still exists on the dark web.

For some time now, forum members have been meeting in groups in public, which they call Stormer Book Clubs. In March, the Portland Stormer Book Club was kicked out of the Lucky Lab pub. Many of those participants are members of the CCC Discord server, and became part of the Oregon Aryans (most notably, Jimmy Marr and David Woods).

As many of the CCC Discord nazis came from and still participate in Stormer Book Clubs, the two groups are somewhat synonymous. However, not all the members of the CCC Discord participate in the Book Clubs. And the Discord discussed ways of recruiting more Stormers to their Discord server.

DatGoy 4/16/2017, 1:51:10 AM

level 26 shitlord, Nazi focus, reporting for duty

blackhat 16 4/16/2017, 1:53:09 AM

Just curious, are u in from the Portland area Stormer Book Club contingent?

A new member joining the Discord is asked if they came from the Portland Stormer Book Club.

Australopithecus Jordan 6/19/2017, 6:36:20 PM

Propaganda: The use of various organization fronts such as "Ashland Patriots" or "Ashland Stormer" (for example) can be used to do actual recruitment. Having hardcore Daily Stormer Book Club recruitment posters will appeal to a certain crowd, having more mild Nationalist posters will appeal to others. By putting out various posters you can achieve your goal of looking like many active groups, and also achieve the goal of funneling new members into our ranks, posters can have a contact method in place. Looking larger and more organized is good, becoming larger and more organized more gooder.

David Woods discusses different tactics of recruiting, whether for more hardcore nazis, or other susceptible far-right individuals.

Australopithecus Jordan 6/23/2017, 6:55:34 PM (edited)

<@&304026039766482955> ATTENTION: In case you guys don't know there is a Grant's Pass Stormer Book Club. An effort should be made to bring those guys into the fold. I think it is just a few guys. I sent them a note on the forum but no reply yet.

Woods mentions that there is a monthly meeting of white supremacists in Grant's Pass, and suggests attempting to recruit them to the Discord.

True Cascadia

True Cascadia (TC) is a new group, promoting a white supremacist separatist territory in the Northwest, inspired by Harold Covington and Northwest Front. So far, their public actions have been relatively limited to podcasts, social media, and occasional flier postings, often around schools and university campuses. However, they are certainly active behind the scenes. They were one of the groups most represented at the white supremacist Northwest Forum held in Seattle, which is characteristic of their primary activity area. Members of True Cascadia also

Some members of the CCC Discord have applied for admission to TC and were rejected. It seems that TC is very choosy in whom they accept, which sets them apart from other white supremacist and fascist groups. Accordingly, the Oregon Aryans and others on the Discord engaged in some sour grapes mocking of TC. They acted as if TC were pretentious, and also ineffectual, mocking them for not accomplishing anything.

DatGoy 5/19/2017, 2:13:01 AM

TC got a mention in the Eugene Weekly in an article about ROP(e)

blackhat 16 5/19/2017, 2:13:26 AM

Saw that

Jimmy Marr 5/19/2017, 2:14:11 AM

I'd love to see that General Marr standard zip tied to the center of an overpass fence and flanked on right and left by my new "WOTAN MIN UNS" banners. That prototype banner is so fucking big I can't even display it in such a manner to check it out.

Australopithecus Jordan 5/19/2017, 2:16:29 AM

That would be bad ass but not TC bad ass. They're the coolest!

On May 19th, members of the Oregon Aryans seem to have a high opinion of True Cascadia.

Australopithecus Jordan 6/10/2017, 5:16:30 PM

TFW not chosen : (

Jimmy Marr 6/10/2017, 6:30:17 PM (edited)

Well yeah, I mean my feels were pretty hurt when True Cascadia didn't choose me, but I confess that @blackhat 16 really took the sting out of that rejection when he told me I'd better not let the sun set on my Central Aryan ass in Douglas County.

On June 10th, David Woods and Jimmy Marr lament that they weren't allowed to join True Cascadia.

Australopithecus Jordan 6/28/2017, 8:57:41 PM

@everyone should we offer True Cascadia the privilege of buying any of our Fascadia flags/stickers? Wondering if it would be good to have *solidarity* on the symbolism...or do we want to keep it to our group exclusively? Also, what is our group name? I feel like we should have a way of identifying this group other than Daily Stormers and Twitter chat pals.

khimære 6/28/2017, 8:58:15 PM

I wouldn't bother with them at all.

khimære 6/28/2017, 8:58:39 PM

The best way I would seem, is recruiting their members.

khimære 6/28/2017, 8:58:58 PM

Hell, one of my guys in my chapter of AWD is a former member.

Australopithecus Jordan 6/28/2017, 9:00:19 PM

Seems like most people not in TC don't like TC.

On June 28th, CCC Discord members discuss whether they should bother offering their fascist stickers to TC, after they were rejected for membership. They then posture about recruiting TC members to their own group.

Wehrmacht 6/29/2017, 7:53:42 PM

We are doing more than True Cascadia

Wehrmacht 6/29/2017, 7:53:48 PM

but less than IE

Jimmy Marr 6/29/2017, 7:53:58 PM

Whatever, we just need to find the energy flow and maximize it. Swimming against the tide is a sure way to get drowned

Wehrmacht 6/29/2017, 7:54:02 PM

We are moving along rather quickly

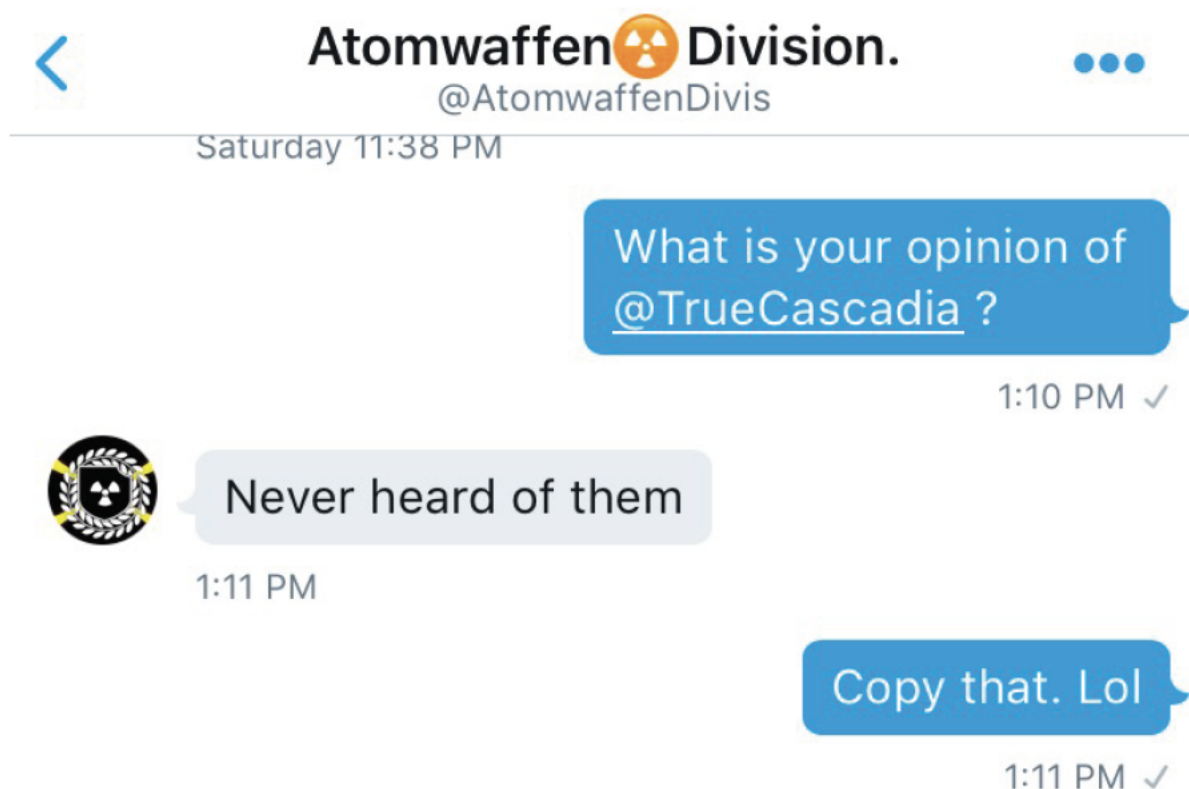

Wehrmacht 6/29/2017, 7:54:31 PM

we have to hope these larger groups like IE keep paving the way in the media

Wehrmacht 6/29/2017, 7:54:44 PM

and draw from them, because they DO make fascism look acceptable

A day later on June 29th, Justin Marbury and Jimmy Marr mock True Cascadia for being ineffectual, saying that the Oregon Aryans are accomplishing more, but still not as much as Identity Europa (IE, see more on that group below).

A Twitter direct message is shared to the group, in which the Twitter account for neo-nazi group Atomwaffen Division (see below) claims to not even know who True Cascadia is. The members of the Discord have a good laugh at that.

Atomwaffen Division

where the formation of the group was first announced. AWD drew national attention in May of 2017, when Devon Arthurs, a member of AWD who announced his conversion to Islam, killed his two roommates and fellow members of AWD for mocking his religion. Later, during the trial, Arthurs claimed that he killed them to prevent a mass-terror attack. In the group's shared apartment, the FBI found bombmaking materials and radioactive compounds.

On the CCC Discord, a number of users are members of AWD, who are mostly located in the Seattle area. While they engaged harmoniously with the Oregon Aryans for a time, that soon ended when an argument broke out over tactics.

blackhat 16 5/24/2017, 11:43:38 PM
 I like AWD more than most...

Vidar 5/24/2017, 11:44:52 PM
 Its a tragedy in that the wigger converts were such a tiny minority but ended up ruining so much

After Devon Arthurs murdered his roommates in May, many on the CCC Discord lamented AWD's association with Islam.

Wehrmacht 6/29/2017, 7:59:11 PM

This is the blackpilling that AWD is famous for and that I've argued 10000000 times on twitter

khimære 6/29/2017, 7:59:28 PM

blackpilling? nonsense.

Wehrmacht 6/29/2017, 7:59:30 PM

The "masses" are white people

khimære 6/29/2017, 7:59:32 PM

It's Siegepilling

khimære 6/29/2017, 7:59:33 PM

khimære 6/29/2017, 7:59:51 PM

and even so: the masses cannot and will not be swayed.

Wehrmacht 6/29/2017, 7:59:55 PM

fascism appeals to whites because whites respect authority and crave it

khimære 6/29/2017, 8:00:00 PM

you are only wasting your time doing so.

A discussion about whether it is it tactically important to engage the masses or engage in vanguard revolutionary action.

Vidar 7/11/2017, 1:26:56 AM

Ultimately yes

Vidar 7/11/2017, 1:27:26 AM

80% European minimum isn't good enough

Vidar 7/11/2017, 1:27:32 AM

Among other things

Vidar 7/11/2017, 1:27:43 AM

Approach to propaganda is also disagreeable

Vidar 7/11/2017, 1:27:59 AM

Their message is basically getting on their knees and begging to exist

Vidar 7/11/2017, 1:28:29 AM

Still too much emphasis on the "take back America" portion

Vidar 7/11/2017, 1:28:50 AM

((America))) was ultimately based off of liberal enlightenment principles, thus doomed to fail from the start

Vidar 7/11/2017, 1:29:05 AM

And we, in these days, are witnessing this failure in its fullness

Siegurd 7/11/2017, 1:29:06 AM

What's AWD's ancestry req? 100%? Or like 15/16 vs VA's 7/8, or what

Vidar 7/11/2017, 1:29:27 AM

As long as we can tell u ain't mixed in any way ur cool

A description of AWD's racial requirements. One member of AWD, Vidar, states that unlike other groups that have a strict "European ancestry" limit, for AWD, "as long as we can tell u ain't mixed in any way ur cool." He also mocks white supremacist Vanguard America, for "basically getting on their knees and begging to exist."

You won't go to jail for a swastika because, the only major difference would be the swastika.

Wehrmacht 7/10/2017, 6:42:12 PM

Its almpst larping the way people cant move on amd pave their own way and become who THEY are

khimære 7/10/2017, 6:42:13 PM

No, but the swastika is the universal symbol of Fascism. If you're a nazi, own it.

Wehrmacht 7/10/2017, 6:42:44 PM

I did go to jail for a swastika

khimære 7/10/2017, 6:42:56 PM

Really? You sure iy wasnt something else?

Wehrmacht 7/10/2017, 6:43:00 PM

Have you?

khimære 7/10/2017, 6:43:10 PM

As that is not illegal.

Wehrmacht 7/10/2017, 6:43:22 PM

Tell that to ashland PD

khimære 7/10/2017, 6:43:38 PM

You sure you didn't get in a fight or something?

An argument breaks out about the utility of using swastikas in propaganda fliers. Marbury, who was arrested in January 2017 for posting nazi fliers in Ashland, claims it was the swastika that got him arrested, while a member of AWD disagrees.

Wehrmacht 7/11/2017, 11:32:31 PM (edited)

AWD for the shitty attitude displayed by prominent members or associates

My Name Is Hate 7/11/2017, 11:33:01 PM (edited)

Ok. Thank you for answering my question

Australopithecus Jordan 7/11/2017, 11:33:42 PM

AWD has their own group of superior Nazis so why the fuck are they here in our group?

Australopithecus Jordan 7/11/2017, 11:34:32 PM

I'm pretty sure none of us are jumping to join AWD. Why not just piss off? We're not in Washington anyway. Do your super Nazi thing. Have a blast.

My Name Is Hate 7/11/2017, 11:35:13 PM

I still think everybody needs to chill out. This isn't productive on any level, this is a disagreement about tactics, why that should devolve into this doesn't make a lot of sense.

Australopithecus Jordan 7/11/2017, 11:35:30 PM

The people I met today wouldn't want anything to do with AWD either.

Wehrmacht 7/11/2017, 11:35:39 PM

If you're so convinced your tactics are superior why waste your time with us

In a different channel, David Woods accuses the AWD of being smug and superior, and suggests they should leave the group if they don't like the Oregon Aryans' methods.

Wehrmacht 7/11/2017, 11:38:51 PM

Ask yourself blackhat who was the one to talk s* about tactics first

My Name Is Hate 7/11/2017, 11:39:01 PM

@blackhat16 is speaking the gods honest truth

Wehrmacht 7/11/2017, 11:39:08 PM

I made a suggestion and these Nigger lovers started calling me a Jew for it

khimære 7/11/2017, 11:39:42 PM

@Wehrmacht "nigger lovers" he says

Wehrmacht 7/11/2017, 11:39:44 PM (edited)

Sorry but when your entire Library consists of George Lincoln Rockwell and mein kampf you don't really have much room to talk about tactics you're largely bereft of the intelligence it would take to understand complex tactics to win a war

Wehrmacht 7/11/2017, 11:39:58 PM (edited)

Oh I'm sorry wait you mean that white Muslim in your ranks that tried to kill your men wasn't a f*n

khimære 7/11/2017, 11:40:26 PM

in case you didn't know: most of us always wanted him out and were doing what we could to get rid of him.

Wehrmacht 7/11/2017, 11:40:59 PM

Doing what you could? F* remove him what kind of f* fascists are you Jesus Christ

khimære 7/11/2017, 11:41:19 PM

Maybe because some of us were not in leadership positions.

Wehrmacht 7/11/2017, 11:41:35 PM

Then you're not very good fascists

Marbury begins mocking AWD for having Muslim members.

Australopithecus Jordan 7/12/2017, 12:21:37 AM

I see it as everything was gravy with our group until AWD bitches started chirping shit. I'm not with that. The division came entirely from that side and their egotistical bullshit. I'm not here to be told I'm not effective or 100% or that I'm comprising from some fuck boy. Nah, I'd rather go lone wolf than accept degradation from a half wit dip shit. The rest of us are cool. If you AWD fucks want to brawl we can schedule it and draw up agreements so it's legal.

Woods blames AWD for starting the argument, and threatens to fight them.

willing to address grievances like adults. I guess realistically the question becomes "Can AW show enough respect to those of us who differ on questions of strategy and consider us allies?" Either we can work together or we cannot. Either way, Hate is right and everyone should at least sleep on it and self-reflect.

Australopithecus Jordan 7/12/2017, 12:44:18 AM

I'm done with them. When the argument started the first thing I said was "all methods have their relevance and are valid in the effort of our people as long as it is ultimately against the jew." The sentiment was not shared and instead chirp chirp went the little bitches. Fuck that. They can, should and will fuck off.

Australopithecus Jordan 7/12/2017, 12:48:55 AM

Niggers don't know what type of warriors they are fucking with or where the fuck I'm coming from. Been ready to die for this WHITE shit. Love war. Love the taste of blood. Misunderstood me by a long shot. Niggers I was BORN in violence.

Australopithecus Jordan 7/12/2017, 12:50:29 AM

Been fighting my whole life, not going to sit back now and take jabs from some internet big shot. Fuck that.

Australopithecus Jordan 7/12/2017, 12:53:28 AM

Niggers read an AWD manual and Siege and thought they were the end all be all of "fascism". Fucking clownery.

Australopithecus Jordan 7/12/2017, 12:54:59 AM

WE WILL NOT SACRIFICE GROUP COHESION TO TOLERATE A COUPLE OF DIVISIVE DIPSHITS

My Name Is Hate 7/12/2017, 12:56:15 AM

Just for my own clarity who are you referring to?

Australopithecus Jordan 7/12/2017, 12:56:40 AM

AWD, every time I said niggers I meant AWD.

As is typical, the fascists resort to racist and anti-semitic name-calling.

Wehrmacht 7/12/2017, 5:39:57 AM

And what I'm sayong is that if anyone was the most likely to be I infiltrated itd be them

blackhat 16 7/12/2017, 5:41:30 AM

Now you're just insulting my ability to do due diligence.

Wehrmacht 7/12/2017, 5:52:24 AM

Am I?

Wehrmacht 7/12/2017, 5:53:28 AM

Feds aren't always so transparent

Wehrmacht 7/12/2017, 5:55:26 AM

Just suspicious activity.

Wehrmacht 7/12/2017, 5:55:56 AM

But I guess gross incompetence and overinflated egos are good explanations too

Wehrmacht 7/12/2017, 5:56:12 AM

Occams razor and all that

Marbury suggests to Combs that the AWD members are likely infiltrators.

Australopithecus Jordan 7/12/2017, 3:24:03 PM

When everything we say is immediately refuted as invalid it's almost like someone is trying to slow things down.

Australopithecus Jordan 7/12/2017, 3:25:52 PM

Me: sky is blue

AWD: you're wrong it's actually aqua marine if you read siege, now elaborate on why the FBI is interested in you, admit to doing things accused of please.

Australopithecus Jordan 7/12/2017, 3:32:22 PM

>post flag
>flag is gay you guys suck at Nazi
>jimmy posts banner
>that message is ineffective, why even try
>Wermacht wants to save White race
>they're not worth it goyim let them all die ZOG slaves
>do effective operations that drive awareness to jewish problem
>why waste your time goyim normies are unreachable
>stand for what I believe in without a mask
>you're just dumb goy, all my idols didn't wear masks but that's different than you

This pattern of reasoning continues, with Woods jumping in to suggest AWD are federal agents.

This pattern of in-fighting among fascists and white supremacists is very typical. It often leads to groups revolting against each other, and as in this case, facilitated backstabbing behavior that resulted in giving anti-fascists access to the Discord logs and other private communications.

Northwest Front

Northwest Front is a group run by Harold Covington. Their main purpose is creating the Northwest Imperative: a white-only ethno-state in the Pacific Northwest. True Cascadia takes much of their ideas from Covington.

The Oregon Aryans are even more dismissive of Harold Covington and his organization than they are of True Cascadia.

man make.

Jimmy Marr 6/25/2017, 3:32:13 PM
I'm having a HAC attack.

Jimmy Marr 6/25/2017, 3:32:55 PM
Actually, I'm not. HAC is most miserable example of a Big Tent charlatan to ever waddle down the racist road.

Artair 6/25/2017, 3:33:20 PM
I never liked it either, the biggest error at hand in that aspect is that none of the groups in question will give up leadership to a main authority, bringing us back to a pathetic form of democracy.

Artair 6/25/2017, 3:33:40 PM
HAC is a serious hypocrite.

Artair 6/25/2017, 3:34:31 PM
"You people do nothing but talk, so you should read my books and listed to my talk show"

Artair 6/25/2017, 3:34:45 PM
Are we all in the same time zone?

Jimmy Marr 6/25/2017, 3:38:20 PM
Yes, HAC walks the walk just like a goddamned "Housewife" who is going to demonstrate her "Purpose" by traveling around the country on the Alt-Fright's speaking circuit. Give me a goddamned break.

Artair 6/25/2017, 3:39:06 PM
I heard he'd dying.

Jimmy Marr complains about Harold Covington, calling his approach "Big Tent racialism," and compares him unfavorably to the "Unite the Right rally" in Charlottesville.

Jimmy Marr 6/25/2017, 3:41:30 PM
HAC was natural born loser. He's devoted an entire lifetime to rooting out the character disorder that he projects onto the White race.

Artair 6/25/2017, 3:42:19 PM
His ego almost surpasses his girth in terms of gravitational pull.

Artair 6/25/2017, 3:43:12 PM
I haven't heard anything from him lately.

Artair 6/25/2017, 3:45:57 PM
But yeah, i know a girl who spent quite a bit of her childhood with him, and her uncle told me HAC has dementia.

Jimmy Marr calls Covington a "natural born loser." Ian Lawton (Artair) mocks him for being fat, and says that he heard Covington has dementia.

seapea 6/25/2017, 4:38:19 PM (edited)
PSA: A good way to avoid HAC attacks is to refer to the man in question as HVAC. The more you know. 🌈

The group also complains about Covington's self-centered behavior on Twitter, and says he can be avoided by referring to him by "HVAC" rather than by his true initials.

My Name Is Hate 6/28/2017, 2:21:43 AM
Jared "they look white to me" Taylor

Marr mentions the feud between Covington and the head of white nationalist group American Renaissance, Jared Taylor. Marr claims they feud over who gets the most money out of their followers.

Isn't HVAC essentially a recluse due to his status as an *informant*?

Matthew Lee Combs insinuates that Covington is a police informant.

Identity Europa

Identity Europa is a white supremacist organization founded by neo-nazi felon Nathan Damigo, who robbed a cab driver at gunpoint, believing him to be Iraqi. IE attempts to portray itself as respectable and approachable, choosing the dog-whistle rhetoric of "white nationalism" and "race realism" while wearing khakis and polo shirts. IE members are not among the most frequent participants in the CCC Discord chats, but the group and its activities are referenced a number of times. They are occasionally disparaged, but their work is also acknowledged for mainstreaming fascist and neo-nazi ideology, and they are given credit for showing up on the ground to proselytize among groups like Joey Gibson's "Patriot Prayer."

Wehrmacht 6/29/2017, 12:53:42 PM

We are doing more than True Cascadia

Wehrmacht 6/29/2017, 12:53:48 PM

but less than IE

Jimmy Marr 6/29/2017, 12:53:58 PM

Whatever, we just need to find the energy flow and maximize it. Swimming against the tide is a sure way to get drowned

Wehrmacht 6/29/2017, 12:54:02 PM

We are moving along rather quickly

Wehrmacht 6/29/2017, 12:54:31 PM

we have to hope these larger groups like IE keep paving the way in the media

Wehrmacht 6/29/2017, 12:54:44 PM

and draw from them, because they DO make fascism look acceptable

Justin Marbury praises Identity Europa for making fascism look acceptable, and says they are doing more than the Oregon Aryans.

Earlier this year, Rose city Antifa published the results of extensive research on **Jacob Ott**, which preceded his decision to step down as regional coordinator for

Patriot Front (aka American Vanguard, Vanguard America)

Neo-Nazi organization Patriot Front's evolution through various names and leadership coalitions traces a sordid path which has included doxxings, betrayal, child pornography, pedophilia, and the horrific vehicular murder of Heather Heyer in Charlottesville, Virginia at the hands of member James Alex Fields, Jr.

The group was originally known as American Vanguard, but then changed its name to Vanguard America. In the wake of the "Unite the Right" rally in Charlottesville, the group changed names again to Patriot Front, in the wake of a power struggle that put an 18-year old named Thomas Rousseau in charge. After each name change, disaffected former members split the group, some following the new name, others attempting to start other groups or drifting away.

In the CCC logs at hand, APB member Matthew Lee Combs confesses to having once been a member of American Vanguard along with a current member of Atomwaffen Division named Matthew Maci. Participants in the logs discuss the group in mostly derisive terms, with the AWD faction in particular tending to deem them as a milquetoast organization intent on reforming America toward nazism instead of destroying it in a violent neo-nazi revolution (as AWD seeks).

blackhat 16 7/10/2017, 9:11:48 PM

Both Maci and I used to be VA; it was AV back then.

Wehrmacht 7/10/2017, 9:11:49 PM

You took something very different away from our conversation

khimære 7/10/2017, 9:12:12 PM

AV, VA, same thing lol

blackhat 16 7/10/2017, 9:12:47 PM

Yeah. I've just noticed the minor change in branding

Wehrmacht 7/10/2017, 9:12:59 PM

Stealing or borrowing imagery that isn't relevant anymore isn't doing anything to help

khimære 7/10/2017, 9:13:13 PM

Nothing about it is stealing.

Vidar 7/10/2017, 9:13:14 PM

Let go of the dancing corpse on strings called (((America))). There is no "reclaiming" it. It is time for a new Aryan Orswr

Vidar 7/10/2017, 9:13:26 PM

*Order

Matthew Combs says that himself and Matthew Maci were once members of American Vanguard

Wehrmacht 6/18/2017, 8:33:56 PM

out of nowhere

Wehrmacht 6/18/2017, 8:34:18 PM

kinda like a false flag.

Wehrmacht 6/18/2017, 8:34:38 PM

thats why i put out AV and NR posters

Wehrmacht 6/18/2017, 8:34:51 PM

now they think that there are multiple active orgs in oregon

Wehrmacht 6/18/2017, 8:34:57 PM

when neither are active

Marbury attempted to make people believe there was an active American Vanguard group in Oregon by hanging posters, even though there was not a chapter here.

Vidar 7/10/2017, 6:39:38 PM

The future belongs to those who take it unapologetically. That is the primary difference between the propaganda of AW and VA

Vidar 7/10/2017, 6:40:34 PM

When the wolf has its back against the wall does he strike back with all fury, or whimper for sympathy?

Vidar 7/10/2017, 6:40:51 PM

AW represents the wolf. VA represents the domesticated chihuahua

Vidar 7/10/2017, 6:41:19 PM

((((America))) is not worth saving.

Vidar 7/10/2017, 6:41:26 PM

That's what VA wants to do

Vidar 7/10/2017, 6:41:39 PM

So they can go back to stuffing their faces with nachos and catching the game on (((TV)))

Vidar 7/10/2017, 6:41:59 PM

AW wants a new order entirely to spring from Jewmerica's corpse

Vidar pontificates stale metaphors on the superiority of Atomwaffen Division's grandiose antisemitism compared to that of American Vanguard
